## THE BARRE DAILY TIMES

BARRE, VT., JULY 23, 1908

### Weather Predictions.

Boston, July 23.—Fair in south, showers in north portion tonight; Friday fair, somewhat warmer, light variable winds becoming westerly.

### TALK OF THE TOWN.

#### Local Happenings Tensely Told For Busy Readers.

Ballard & Co., reliable insurance.  
Bernice Mainat is very sick at George Lund's on Third street.

Consult the eye sight specialist for glasses at J. W. Holton's.  
Angelo Soapini shipped one of his pig team horses to Boston today.

You cannot appreciate how thoroughly good a flour can be until you have tried Wise King. Try it.

The committee in charge of the "group" photographs for Operative lodge No. 150, would ask that as many as possible visit the studio of Shores & Kenerson during the two days vacation.

Mrs. Mattie Smith and Mrs. Alexander Dow of New York arrived in town last evening to visit Mr. and Mrs. L. M. Williams. Mrs. Dow is a well known actress whose stage name is Maude Furness.

**Reading the Face.**  
The "reading the face" and "eyes with painting" mentioned in the Bible are still practiced by Arabian and other oriental women. A bodkin of orange wood charged with black powder is thrust along between the closed eyelids, giving a languorous depth to the eyes.

**Our First Pins.**  
The first pins made in this country were very crude indeed, merely a bit of wire twisted into a knot for a head at one end and sharpened to a point at the other.

**Rapid Shoemaking.**  
A pair of women's shoes made in Lynn, Mass., to establish a record for rapid shoemaking required fifty-seven operations and the use of forty-two machines and 100 pieces. All these parts were assembled and made into a graceful pair of shoes ready to wear in thirteen minutes.

**Wild Birds in New York.**  
The trade in wild birds is quite a feature in New York. About 15,000 are imported annually from Europe and 10,000 from Africa. They are bullfinches, goldfinches, linnets and thrushes.

**Argentina's Cows.**  
The number of dairy cows in the Argentine Republic is 8,000,000. In European markets the Argentine butter is preferred to the imports from Russia, Canada and Australia.

## SOUTH RYEGATE.

Several of our young people went to the circus at Montpelier Tuesday.

William Terry, who has been laid up for the past two weeks with a badly bruised leg, is still unfit for service. He hopes to be in the harness soon.

Our creamery paid twenty-three cents net for June butter while some of our fancy butter makers have been shipping to market and getting back less than 18 cents net.

Wallace Terry will return to his home in Hartford, Conn., Thursday morning and Mrs. Terry will stay a week or two longer with her many friends here and in Groton.

Anthony Hood of the back part of Newbury was found dead in bed last Monday by his wife. Heart failure is supposed to have been the cause of death. He was about seventy years of age and leaves a wife and several children.

Peter Kerr, royal secretary of the O. S. C., was in town on Monday and Tuesday of this week, the guest of Robert Farnham, and the clan was favored with his presence at its regular meeting Monday evening. Mr. Kerr was homeward bound, having been called to Berlin, N. H., to attend the Fourth and the gathering of the clan of that city.

### Resolutions of Sympathy.

We the members of Ida Reed, W. C. T. U., do extend to our beloved sister, Mrs. O. S. Willey, our sincere sympathy and love in her sorrow, with the hope that a life well lived may prove a comfort in this sad bereavement.

Man is born for a higher destiny than earth. There is a realm where the stars will spread out before us like islands which slumber in the ocean and where beautiful beings that pass before us like shadows will stay forever in our presence. Signed by resolution committee.
